Approval Statement

Responsibilities of the Board

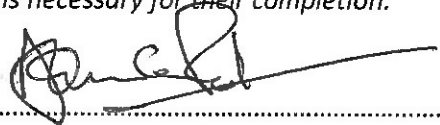

The Society Board is required to prepare accounts, for each financial year, which give a true and fair view of the state of affairs of the Society for that year. In preparing those accounts, the Board is required to;

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- follow applicable accounting standards, subject to any material departures disclosed and explained in the accounts;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Society will continue in business.

The Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Society and enable them to ensure that the accounts comply with the Co-operative and Community Benefit Societies Act 2014. They are also responsible for safeguarding the assets of the Society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the Board, we approve these accounts which comprise the Income and Expenditure Account, Balance Sheet and related notes. We acknowledge our responsibility for the accounts including the appropriateness of the accounting basis as set out in note 1, and for providing all the information and explanations necessary for their completion.

Independent Examiner's Report

to the Society Board Members of Livingston Independent Supporters Society Limited (trading as Livi for Life Supporters Trust)

I report on the accounts of the Society for the year ended 31 August 2019 set out on pages 5 to 9.

This report is made solely to the Society's Members, as a body. My examination work has been undertaken so that I might state to the Society's Members those matters I am required to state to them in an Examiners' report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Society and the Society's Members as a body, for my work, for this report, or for the opinions I have formed.

Respective responsibilities of Society Board Members and the Examiner

Under the Supporters Direct Scotland guidance, the Society Board Members are responsible for ensuring the Society maintains proper accounting records and for preparing accounts which give a true and fair view and which have been prepared in accordance with generally accepted accounting principles. The Society Board Members also consider that an audit is not required for this year as an appropriate resolution was approved by Members at the last AGM and that an independent examination is therefore appropriate.

It is my responsibility as the Independent Examiner to:

- *examine the accounts;*
- *follow the procedures laid down in the General Directions given by Supporters Direct; and*
- *state whether particular matters have come to my attention.*

Basis of Independent Examiner's statement

My examination was carried out in accordance with General Directions given by Supporters Direct. An examination includes a review of the accounting records kept by the Society and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Society Board Members concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- a) *which gives me reasonable cause to believe that, in any material respect, the Society Board Members have not met the requirements to ensure that:*
 - *proper accounting records are kept;*
 - *accounts are prepared which agree with the accounting records and comply with generally accepted accounting requirements; or*
- b) *to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.*

Notes to the Accounts

1. Accounting Policies

- a. These accounts have been prepared under the historical cost convention and accruals basis. They are in accordance with generally accepted accounting principles and are properly prepared in accordance with the Co-operative and Community Benefit Societies Act 2014.
- b. Fixed Assets are regarded as those of an original cost of greater than £500. At present, the Livi for Life Supporters Trust has just one asset at this value.
 - i. Audio Visual Equipment was obtained in the year ended 31 August 2014 and this is depreciated by straight line depreciation over a period of four years.

2. Investments

The investment value in Livingston Football Club Limited (the "Club") represents the par value of the gifted shares. There is not an active market for the shares, so it has not been possible to estimate the realisable value of the shares. Therefore, they have been included in the balance sheet at par value.

3. Fixed Assets

Audio visual equipment with a cost of £693 was purchased during the year ended 31 August 2014. The asset is still in use but has been fully depreciated.

4. Cash and Bank

	2019	2018
	£	£
Bank of Scotland	10,255	10,586
Royal Bank of Scotland	4,953	4,326

5. Debtors

	2019	2018
	£	£
Volunteer's time - 2019	8,453	-
Volunteer's time - 2018	7,467	7,467
Volunteer's time - 2017	5,894	5,894*
	21,814	13,361

The debtors balance in current and prior year represents shares due from Livingston Football Club Limited (the "Club") in respect of the Society's volunteers' time spent assisting the Club.

* Please note - there was a printing error in the annual accounts for the year ended 31 August 2018 where this figure was mistakenly presented as £5,987. This has been corrected in the note this year. The total figure of £13,361 remains correct.

For administrative reasons, the Trust accounts for the volunteers' time in line with the football season year rather than the accounting year. This has the effect of including the pre-season and early league matches taking place in July and August this season in this set of accounts (rather than the prior year) and excluding the following season's pre season and early league games figures from this set of accounts. The use of this methodology does not impact the overall amount of volunteers time reported by the Trust, it is merely a timing difference in when the amounts are reported in the Trust annual accounts.

A reconciliation between the amounts shown in the financial statements and the amount due on a strict accounting year basis is shown below:

	Y/e 31 August 2019	Y/e 31 August 2018
	£	£
Value of volunteer's time for year per financial statements (football season basis)	8,453	7,467
Less value of time donated pre-season and early season – July and August 2018 (2018 accounts – July and August 2017)	(1,350)	(1,804)
Add value of time donated pre-season and early season – July and August 2019 (2018 accounts – July and August 2018)	1,311	1,350
Total on an accounting year basis	8,414	7,013
Increase / (decrease) in value reported using a football season basis rather than strict accounting basis	39	454

August 31, 2019

6. Current Liabilities

	2019	2018
	£	£
Future Club Winners	180	300
Purchase of shares – 2019	8,453	-
Purchase of shares – 2018	7,467	7,467
Purchase of Shares - 2017	5,894	5,894
	<u>21,994</u>	<u>13,611</u>

The accounting for the shares due from the football club to the trust mirrors the accounting for the volunteers time. (i.e. on a football season basis rather than a strict accounting year basis). This use of this methodology does not impact the overall amount of shares due from the football club, it is merely a timing difference in when the amounts are reflected in the Trust annual accounts.

Please refer to the reconciliation at note 5 which shows the increase / (decrease) in amount due to the Trust had a strict accounting year basis been followed.
